To,

Prof. M. Reza Mobasheri  
Head of SASTech High Council (SHC) Chair,  
8thSASTech 2014  
President of KHI  
Dear Prof. M. Reza Mobasheri,

In response to your letter/email dated 30<sup>th</sup> September, 2013, we came to know about the 8<sup>th</sup> Symposium on Advances in Science and Technology to be held at 4 different times between Nov. 2013 to Feb. 2014. In principle, we are happy to extend our cooperation in all possible ways and agree to publish relevant papers in the journal "Information Sciences and Computing" subject to fulfillment of the following conditions:

1. First a board comprising of scholarly people across disciplines should be formed to look after the reviewing process of each article. We apply single blind peer-review process. This means authors are not aware about the identity of the reviewer. The board will be termed as 'Guest Editorial Board' under one Chief-Guest-Editor.
2. After acceptance, each article in MS-word format along with review report should be sent to the editorial office. Standard format can be downloaded from the journal website (<http://www.ctts.in/Template>). Our staff will further format the papers as per journal requirements and before publication galley will be sent to corresponding author only. **So, it is mandatory for each paper to designate one as corresponding author with one working e-mail.**
3. Papers will be published online only in open access mode. Anyone interested will be able to download freely. No hard copy will be provided to the authors.
4. The journal will ask for processing charges after acceptance as follows:  
  
For papers upto 10 pages length: USD 100 or equivalent amount in other currency. For paper above 10 pages: USD 05/extra page or equivalent amount in other currency.
5. The accepted papers will be published as a special issue or will be included in a regular issue in case the number of papers is below 05

We are looking forward for further cooperation. Best

regards,

Dr. Anshumala Chaturvedi  
Editor-in-Chief  
Current Trends in Technology and Sciences  
Bhopal, India.
